# ANNOUNCEMENT

Each year the Regional Shorthorn Show and Sale held at Jamestown, N. Dak., has grown in size, territory that it reaches, and in public popularity. The consigners of cattle to this year's event, who are from North and South Dakota and Minnesota, have again reserved their very finest productions to further cement the prestige that this annual sale enjoys.

These cattle have been screened by inspections made by various competent Shorthorn men who are interested in the welfare of the Shorthorn breed, and the continued success of the Regional Shorthorn Sale, and feel that the consignments will prove to be one of the top offerings ever offered at any consignment sale in the Northwest. Numerous animals listed have been shown throughout the Northwest the past year, and have given a very good account of themselves.

There are numerous top herd bull prospects, as well as desirable commercial and farmer bulls being offered. Regardless of what your bull needs might be you can find it in this sale!

The female offering is equally as desirable as the bull offering. Herd replacements or foundation females will be found here. Many of them are carrying the services of some of the top young herd bulls in the nation.

Cattle that have been previously sold at Jamestown have gone on and done a grand job for their purchasers. The cattle that are listed in this sale will do the same—there is no better place to buy Shorthorns than in the Jamestown Regional Sale on Tuesday, October 20, 1953.

## SHOW

This year we are happy to announce that Paul Carlson, popular herdsman at N. D. A. C., will place these consignments which will establish the selling order of the animals listed. We feel very fortunate in having Mr. Carleon make these official placings. The show will commence promptly at 9:00 A. M. on Tuesday morning—the day of the sale!

# TERMS AND CONDITIONS

The Sale will start at 1 p. m., Tuesday, October 20, 1953.

**TERMS:** All sales are cash or according to arrangements made between the buyer and seller. Settlement must be made with the clerk immediately after the sale. All cattle will be at the buyer's risk as soon as sold but assistance will be given in loading, in compliance with buyer's instructions.

**REGISTRATION CERTIFICATES:** A registration certificate and transfer certificate will be furnished with each animal, and an application for registry will be furnished with each calf sold at foot or in dam. Breeding dates in the catalog are furnished by the consigner.

**GUARANTEE:** Health certificates will be furnished with each animal. All cattle are sold subject to a sixty-day retest for tuberculosis. Bulls are guaranteed to breed if properly cared for and not allowed to run with the herd. If a bull fails to breed he may be returned to the seller if in as good condition as when bought, and if after three months' trial he fails to breed, the animal will be replaced with one of equal value or the money will be refunded. Cows with calves at side are considered breeders and no further guarantee is given. All other cows and heifers over fifteen months at the time of sale are guaranteed to be breeders. Animals which are returned to breeders because they fail to meet the guarantee statement will be at the buyer's cost of transportation. It is understood the guarantee of the cattle consigned to this sale constitute a contract between the consignor and the purchaser of each lot. Any claim for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale. The sales committee does not assume any responsibilities in these matters.

**MAIL BIDS:** Mail bids may be sent to representatives of the Shorthorn World; American Shorthorn Breeders Assn., Jack Halsey, Auctioneer; Members of the sales committee; or to Gilbert Elken, Jr., Sales Manager. Bids sent will be handled confidentially and conservatively in the interest of the bidder, if unable to attend. Any bids should be sent to the above parties in care of the Gladstone Hotel, Jamestown, N. Dak., sale headquarters.

**CLERK OF SALE:** National Bank of Jamestown and the James River National Bank.

**AUCTIONEER:** Col. Jack Halsey, Des Moines, Iowa, and assisted in the ring by representatives of The Shorthorn World and the American Shorthorn Breeders Association, and other fieldmen along with Gay Lovas of Mayville as ring-men.

**Eldak Glorious Max**—A rugged roan son of Killearn Clipper Max and out of Princess Royal 158 that we purchased from Leslie Smith that has been an outstanding producer for us. This bull was second at the 1953 Minnesota State Fair. Anyone that needs more bone and ruggedness in their cattle will do well to look this bull over. A brother to Eldak Campeon Max—1953 Grand Champion Bull over all Breeds at the Valley City Futurity.
